UPDATE (11/17/16): The City of Sanford's compost facility currently has compost mixed with clay and a limited amount of wood chips available. There is no longer any screened or unscreened compost. Wood chips and compost-clay mix will be available until supplies run out.

CITY OFFERS FREE COMPOST, WOOD CHIPS ALL MONTH

Sanford, NC – November 2, 2016 – For the month of November, the City of Sanford is offering wood chips and compost at no cost.

Nonprofit organizations, churches, businesses, and residents can pick up an unlimited amount of compost or wood chips from the City's compost facility any week day from 8:00 a.m. to 5:00 p.m.

Types of compost available from the facility include screened and unscreened compost, a clay/compost mix, and fresh wood chips. Typically the cost is \$15 per pickup load for unscreened compost or wood chips, \$25 per pickup load for screened compost, or \$5 per pickup load for clay/compost mix.

Compost or wood chips can be picked up from 500 Fifth Street across from the Lions Club Fairgrounds. Follow Fifth Street straight into the compost facility.

There is no delivery available during the month of November. Typically, delivery costs \$40 for locations inside the city limits and \$65 for locations in the county.

For more information about the City of Sanford's compost facility, contact the Public Works Service Center at 919-775-8247.
