

SERVING CITIZENS WITH DISABILITIES

For many years the City of Sanford has been evaluating and updating its programs and services to determine how it may better serve our citizens with disabilities. The City's programs are in accordance with the Americans with Disabilities Act. As defined in the law, the term disability with respect to an individual is:

- (A) a physical or mental impairment that substantially limits one or more of the major life activities of such individual;
- (B) a record of such an impairment; or
- (C) being regarded as having such an impairment

If you suffer from any disability that prevents you from fully participating in City activities or enjoying our services and programs, we would like to hear from you. Please help the City become more accessible to you. Send suggestions to Van Dowdy, ADA Coordinator, P.O. Box 3729 Sanford NC 27331; Email – Van.Dowdy@sanfordnc.net (subject line should include “ADA”) or call 919-775-1491
